WARRIORS FOR JUSTICE

Since 1991, the **LaBovick Law Group** has represented clients in Florida and throughout the United States with their legal matters. We are a consumer plaintiff's firm committed to ethically and compassionately representing victims harmed by the willful, reckless or careless conduct of others; **those people injured at work, and those needing social security disability benefits.** We have settled and tried million-dollar cases with a single focus on getting the results our clients deserve.

At the **LaBovick Law Group**, we truly care about our clients. The clients you refer to us will never be just a number or a file at our firm. They become a part of our family. And we fight for them, just like we would fight for our family.

Our mission statement is ***"to maximize justice by aggressively fighting for our clients' rights"*** and we pride ourselves in our four core values: fight to win, passion to serve, relentless innovation, and own it.

TO MAXIMIZE **JUSTICE**
BY AGGRESSIVELY FIGHTING
FOR OUR CLIENTS' **RIGHTS**

*"We are deeply grateful that you are a part of our **Family of Warriors**. Anyone who knows Esther and me knows that our family is our number one priority. We are very close with our entire family and for 30 years we have been building a firm based on those family values.*

*When we speak to our team members, they will often reference the most important aspect of our company is that everyone is treated like family and that we truly care about everyone that works for us. This ultimately translates to everyone that we represent. Our practice is based on helping people solve difficult and sometimes tragic situations and we want you to know that as a part of our family, the people you trust to us will be treated as if they are a part of our family as well. We've designed this program to let you, our **Family of Warriors**, know how much we appreciate you entrusting us with your referral cases. That's why you'll notice a family theme of our program this year.

The **Family of Warriors** program includes great technology with the Litify Referral Network, a gifting program to send tokens of appreciation throughout the year, and excellent communication to keep you up to date through newsletters and our social media platforms.

REFERRAL TESTIMONIALS

"One of the most sacred responsibilities of lawyers and Law Firms is the recommendation of outside counsel when you cannot handle the case yourself. It is a duty that Pond Lehocky Giordano does not take lightly. We vet all of our referral partners for professionalism, advocacy, perseverance, compassion and creativity. Brian LaBovick and his team at the LaBovick Law Group, exceed all of these expectations. In fact, it is why we have proudly and continuously referred our Florida clients, family members and friends to him for years. BRIAN LABOVICK

Founder and Visionary

BLaBovick@LaBovick.com (561) 635 8400

"I love what I do. I'm passionate about it. There are loads of reasons why I love practicing law: I like to Fight. I like to Win. I like to Help People. I have always wanted to be the chivalrous knight hero who saves people. I get to do that in this field. I decided I wanted to be a lawyer back in high school, when I fought a traffic ticket and won. The judge brought me back into their offices and told me that my cross examination of the officer was the best she had seen in weeks, and that included all the lawyers. She told me to be a trial lawyer, and I wanted it from that day forward."

ESTHER URIA LABOVICK

Chief Legal Officer and Director of Mass Torts

ELaBovick@LaBovick.com (561) 635 8400

"I began practicing law because I've always had great empathy for people who are suffering. The life stories of those who have been unjustly impacted by circumstances beyond their control inspire me to take action, and I'm able to turn my knowledge, experience and heart to good use as a lawyer. Our firm's Warriors for Justice vision fits my personality perfectly as I am very tenacious. Once I set my mind on a task, there is no holding back, whether it be in the law, parenting, or in my community involvements. I never give up. Taking the lead in our Mass Torts division gives me the opportunity to read and learn about the burgeoning scientific evidence surrounding the litigation. This is perfectly suited to what I love to do, dig in and learn every nuance of a case."

ELIZABETH SEEMANN

CEO and Managing Partner

ESeemann@LaBovick.com (561) 625 8355

"When I first stepped into the LaBovick office in August, 2013 I immediately felt a sense of comfort and belonging. I quickly realized it was because of the warm, welcoming, family atmosphere Brian and Esther had created. Coming from a large family of my own I immediately embraced the office atmosphere. The feeling of family amongst the office staff transcends to everyone we work with, whether it be a client, referral partner, or even a vendor. We are Warriors for Justice, motivated to zealously advocate for our clients as if we were representing our mother, brother/sister, or distant cousin. We love that our family continues to grow and are eager to welcome you into the LaBovick Family of Warriors."
